

The John Doe Times
Volume V, No. 4
(The Lost Issue)

In This Issue:

** The Entire Text of The Writ of Mandamus Filed by Stephen Jones With the Tenth U.S. Circuit Court of Appeals.

Editor's Note: This is the famous "lost issue" of the John Doe Times. Too large a file to send via our regular route, or to post on our old web site, we had to get a new one before posting this. Our apologies for the confusion.

For the record of the OKC bombing, this will prove to be one of the more important documents.

-- Mike Vanderboegh, 1 ACR
Editor, The John Doe Times

P.S. It is my opinion that you can ignore most of the Arab-connection crap here....I don't think even Jones believes seriously in that, but then as a defense attorney he has an "everything including the kitchen-sink" approach which is hard to fault.

[To the Writ](#)

The following document is the verbatim transcript(minus the appendices, which contain copyrighted material) of the petition for the writ of mandamus made by the attorneys for Oklahoma City Bombing defendant Timothy McVeigh.
